#### Award Partners

# The Annual European Building Suppliers Innovative Awards 2009®

**Archi-Europe®**, the first European Architects and Building Suppliers Network, and **Euraf** (European Architecture Foundation) are organizing the **Annual Building Suppliers Innovative Awards 2009** aimed at awarding the best creative and innovative solution developed by our affiliated members in **two sectors** (Building Innovation - Sustainable Innovation) and **two categories** (SME with less than 100 people and companies with more than 100 people).

## Who can participate?

The **Annual Building Suppliers Innovative Awards®** are reserved for companies registered to the Official European Building Suppliers Directory.

## Why participate?

The winners will benefit from an exceptional exposure : their winning product will be presented in all our communication tools (e-magazines, website, Archi-News printed). An official certificate from the European Architecture Foundation will also be handed out to the winners.

This event has the support of 3 international building fairs:

**SAIE**, Bologna, Italy · **BATIMAT**, Paris, France · **BAU**, Munich, Germany

## How participate?

The registration to the '**Official European Building Suppliers directory**' automatically entitles your company to participate at the awards. Just send a PDF file to [suppliers.awards@archi-europe.com](mailto:suppliers.awards@archi-europe.com) with a short description and some pictures/illustrations of your product.

## Deadline

Deadline for entries is 30 September 2009. The winning products/solutions will be presented in Archi-Europe's stand during the SAIE (28-31 October 2009) and BATIMAT 2009 (2-7 November 2009) building fairs. An international jury composed by experts and architects will meet in October in order to select the best products/innovations.

SEND IN YOUR ENTRY TODAY!
