

3 April 2017

With 327 projects coming from 32 countries, the first edition of the **European Architecture Awards** (www.europeanarchitectureawards.eu), organised by Archi-Europe (www.archi-europe.com) and REALTY (www.realty-brussels.com) is an undeniable success.

Outstanding Belgian and International Architecture firms have been taking part in this competition, which demonstrates the high interest and expectations generated by this new event.

We wish to deeply thank the jury members of this first edition for their commitment and time dedicated to review the projects.

The winners will be announced during the awarding ceremony that will be hosted in Brussels on **18 May** in the framework of **REALTY 2017** (www.realty-brussels.com), one of the most renowned European gatherings in the real estate sector, partner and support of the European Architecture Awards.

Out of the 327 projects, 286 (87%) came from Europe and 41 (13%) from the rest of the world. Projects coming from Benelux area were 117 representing 35% of the entries.
